## Key Blank Information

### Locating the Ilco Key Blank number

Keys are in numerical/alpha sequence beginning with the base number.

Example: 1145  
1145A  
1145CE  
1145J  
A1145CE

If the base number has a letter prefix, first find the base number, then the prefix.  
e.g.: S1098WD, H1122F, A1145CE.

If the key's base number does not have a prefix then the suffix (if any) would determine that key's placement within the group.

e.g.: 1145A  
1145CE

The base number consists of one or more digits e.g., 2B, AB62C, 998GA, A1012-24N, S1098WD.

### PRODUCT AVAILABILITY LEAD-TIME

Kaba Ilco Corp is dedicated to providing fast, reliable and consistent deliveries to our customers. As with any extensive line of products, the manufacturing times will vary. For this reason, we organize Ilco products by "lead time".

In order to better serve our customers, "lead times" (LT) are indicated in the Comprehensive Key Blank Listing. These lead-times are also shown at the beginning of each key grouping (i.e. Ilco-EZ (dual Numbered) Listing, Transponder Key Listing, etc.)

The majority of Ilco stock key blanks have a standard lead-time of 3 days from order acceptance. For these items, we have not listed individual lead-times.

"B" lead-times indicate items that are stock items, however unexpected large orders may make these items temporarily "out of stock". In these situations the projected lead-time is 4 weeks. Items with a "C" lead-time may be in stock. Should these items be out of stock, extended lead times may occur. Custom keys (non-stock) lead times are identified at the beginning of their key groups.

### LESS THAN BOX QUANTITY PRICING

All stock metal keys, other than Bit & Barrel keys, will be considered as packaged 10 keys per bag and 50 keys per box. Orders for less than 50 keys/sku, in multiples of 10, will receive less than box pricing. All plastic head keys and Bit & Barrel keys will be considered as packaged 5 keys per bag and 25 keys per box. Orders for less than 25 keys/sku, in multiples of 5, will receive less than box pricing.

VATS, Transponder and Electronic keys may be ordered in multiples of one without less than box pricing. Keys in price groups 22 through 63 will not receive less than box pricing regardless of quantity ordered, but must be ordered in proper multiples as explained above.
